AFSA Plans offer special discounts to AFSA members, spouses, families, retirees, and parents.

AFSA plans have an indemnity option, so the payments directly to you reflect the healthcare provider.

You can select the time period of coverage: from 1 year to lifetime.

The AFSA Long Term Care Department will offer an unbiased comparison of competing programs, including the Federal Plan.

You can have a making you is all before coverage takes effect. Even if by the time.

You can even buy insurance that returns the premiums even if you ever use coverage.

Compared to the Federal Program, AFSA plans are priced substantially lower for preferred rates — and less in most cases for standard rates.
