### REVOLUTION IN ZANZIBAR

By Ambassador Don Petterson

Hardcover or paperback can be ordered at local bookstores or purchased from online booksellers.

The Cold War came to Zanzibar in 1964 after African rebels rose up against the exotic island nation's Arab rulers, killing one of every 10 Arabs. This vivid, eyewitness account depicts the revolution's genesis and the dramatic events of the days of violence. It relates the revolution's aftermath, when to Washington and London Zanzibar seemed a cancerous base for communist subversion of mainland Africa. It features the role of American diplomats, including Consul Frank Carlucci, who later became secretary of defense in the Reagan administration.

#### Foreign Affairs

"Spiced with many instructive anecdotes about diplomatic life, this could be useful reading on several levels for Foreign Service trainees."

#### Los Angeles Times

"...a compelling narrative..."

#### Booklist

"...a rich insight into the superpower Cold War conflict...."

#### Library Journal

"The lively and engaging writing style holds the reader's interest throughout...."

Ambassador Thomas R. Pickering

"An intriguing account of action in one of the Cold War's remotest centers of contention...."
