

MAKE YOUR MARK.

You've had the unique experience of living and working in diverse cultures and fostering American ideals in foreign lands. Make a planned gift to The Fund for American Diplomacy and allow us to honor your name and share the Foreign Service with others.

The Fund for American Diplomacy teaches students, business leaders and senior citizens just how critical U.S. diplomacy and the Foreign Service are to America's national security and economic prosperity. Your financial support enables us to provide grass-roots, public-education programs across the country.

Give back to the profession that has served you well through a planned gift, and take advantage of the many tax savings and benefits. **For more information on AFSA planned giving, contact Lori Dec toll-free at (800) 704-2372, ext. 504, or at dec@afsa.org.**

What Will Your Legacy Be?
