Using DISQUS with AFSA Memorial Tribute

1. Go to AFSA.org and log into your account.

2. Navigate to the Memorial Tribute Tab.
3. Type in the name of who you are searching for. The “%” sign may be used as a wildcard, for example, “%Jones” will return all those with the last name of Jones and anyone with a hyphenated last name (e.g. Jones-Smith).

4. Scroll down and click on the Disqus link.
5. Sign up for a Disqus account or login if you already have one.

6. This is what the screen will look like to sign up for a new account.

7. Enter your name, personal email address and create a password.
8. Once logged in, navigate back to AFSA’s memorial tribute site and to the person’s page for which you would like to write a tribute.

9. Now once you have logged into your Disqus account a new button will appear “Post as” and you will be able to add your message.

10. Once you have created a Disqus account you will not need to login again in order to post tribute comments on this Memorial Tribute site.
