Combined Federal Campaign (CFC) — How to Make a Donation via Employee Express or Nexus System

The Combined Federal Campaign (CFC) features a vast array of worthwhile causes in search of your support. Over the past fifty years, the CFC has raised $7 billion to help neighbors in need around the corner, across the nation and throughout the world. In 2014, federal employees in the National Capital Region and overseas contributed over $49 million.

Like last year, CFC is offering a new option called “Universal Giving,” which adds 20,000 approved charities to the already approved 4,400 local, national and international charities. These 20,000 charities will be designated with an orange circle with the letters “UG,” which stands for Universal Giving. Universal Giving (UG) gives donors the ability to make a pledge to any of the 24,000+ charities that participate in the 151 CFC regions, regardless of geographic location or campaign region. This year’s CFC theme is “We Make it Possible.”

You can make your CFC donation through the Employee Express (EEX) and/or the CFC Nexus system. Please note that an automatic payroll deduction can only be done through EEX. If you’d like to make a cash, check, credit/debit card (one-time or recurring), or e-check (one-time or recurring), please use the CFC Nexus System. Instructions for both options are provided below:
